

Schmitt Music is dedicated to insuring that you and your child receive the best music foundation possible. Whether it's piano or the fundamentals of music, it is our goal to instill in the student the skills necessary to enjoy a life-long appreciation of the musical arts. It is our intent that the children's classes run concurrent with their school semester, so that the child and parent will approach their music classes as an integral part of the student's overall education curriculum.

**INSTRUCTOR: MARK GOTTLIEB (gottmusik@gmail.com)**
