Dear Student;

Thank you for allowing Schmitt Music to be part of your music education. Our passion is to help you pursue your musical dreams and to create Magical Musical Moments whenever you come to your lesson or just to shop.

As we strive for musical excellence in all areas of our store, we appreciate any feedback you have regarding your lesson and your overall experience during your weekly visits to Schmitt Music. Information gathered will be shared with the Store Manager and with Schmitt Music's Education Department.
